singapore s best homegrown car magazine with an editorial dream team driving it we fuel the need for speed

since the mid 1980s or even earlier the global economy has continuously been plagued by one energy and food crisis or another the ups and downs of the energy industry and market buoy and bubble along with food commodity prices every slight movement backwards or forward of crude features impacts food commodity prices on which the poor as well as the rich depend on for survival this umbilical link between oil prices and food prices tortures our swelling populations especially those in poor underdeveloped countries lasting solutions to oil and food prices is a bold attempt to address permanent solutions to this appalling situation more ideas are needed and much more bolder action we must tackle these perpetual oil and food problems our populations keep increasing many teeming mouths to feed your contribution is welcome thanks

regional management has taken on a new role and is becoming more important this book explores the challenges of european us and asian companies it outlines how regional headquarters can develop into dynamic competence relay centers to master these challenges

singapore s best homegrown car magazine with an editorial dream team driving it we fuel the need for speed

kevin and jackie freiberg s previous book nuts southwest airline s crazy recipe for business and personal success described the unconventional leadership that made southwest an airline industry dynamo in guts the freibergs look at twenty five gutsy and extraordinarily successful businesses and introduce the chief executives who are creating a new corporate ethos that blows the doors off business as usual drawing on five years of research the freibergs provide a behind the scenes look at these intensely focused passionate and unconventional leaders and their companies among them james blanchard ceo of synovus financial a financial services giant with more than 16 billion dollars in assets roy spence jr president of gsd m advertising which adweek magazine named southwest agency of the year seven times james goodnight of sas a world leader in intelligence software

although the leaders in the book represent a wide range of industries they share a common vision they see business as a heroic cause and understand that good leadership isn't a matter of position but of influence they reject hierarchical rules rituals and expectations and have replaced in the box management with a culture based on passion and innovation they regard their employees not as human resources but as individuals with unique gifts and talents and make everyone in the company responsible for the company's brand and culture an exciting follow up to nuts which has sold nearly 500 000 copies in hardcover and paperback guts proves that it is possible to have fun live your values and still make money

a research bulletin examining the japanese automotive industry's impact worldwide

a hero of our future a book of hope for those feeling lost in a world teetering on the brink of climate collapse and societal despair a hero of our future emerges as a beacon of hope this transformative book invites you to step into the role of a change maker offering a profound exploration of resilience belief and action through divine inspiration contemporary struggles and actionable strategies this book unravels the mysteries of thriving in uncertain times whether you're wrestling with mental health challenges searching for purpose or seeking ways to combat climate change you'll find stories that awaken belief tips to prepare for an unpredictable future and insights to become a catalyst for change in your community if you've ever doubted your ability to make an impact this book will remind you heroes are forged in the fires of adversity are you ready to embrace your potential and step into the future as the hero the world needs
